

## VAT Loans Fact Sheet

Spread your VAT bill over 3 months to keep funds in your business to use elsewhere.

### The key benefits to using a VAT Loan:

You will be able to keep funds in your business to be used elsewhere.

Simple use our free to use calculator or give us a call.

No need to use up an existing bank facility.

Easy fixed repayment schedule with great rates.

Payment is made directly to HMRC who will receive the money on time.

We pride ourselves on fast and quality customer service.

### VAT Loan Example:

**Company:** Firm of Architects

**Loan Value:** £25,000.00

**Term:** 3 months

**Repayment:** £8,656.25 per month

**Rationale:** This firm of architects have many large contracts that have been invoiced. However, their customers have not paid. In effect, they not only have to finance their debtors but another 20% payable to HMRC.
