

Working Capital Loans Benefits

Looking to expand or just need a cash injection?
Working capital loans available from £5,000.

Here are the key reasons why your business should consider a working capital loan:

FLEXIBLE REPAYMENT TERM

Fixed rate, monthly repayment loans from 6 months to 5 years.

PRESERVE CASH FLOW

Keep your cash in the business to spend on items with higher returns.

HASSLE FREE PROCESS

No business plans or forecasts are required when applying for a working capital loan.

NO HIDDEN FEES

No documentation or application fees are applied to your loan - only pay on acceptance.

NO EARLY REPAYMENT CHARGE

No early repayment charges are put in place. Settle the loan at any time.

PRESERVE EXISTING LINES OF CREDIT

Your existing credit lines remain unaffected.
